PRESIDENT’S MESSAGE

As many of you may know, this will be the last issue of the Rundle Rumbles with this Publishing Company, Great News. They have cut Rundle, Marlborough and Marlborough Park from their distribution due to not making enough profit. However, your Board of Directors are hard a work developing a way to keep the Rundle Rumbles as we find it very valuable. Stay tuned for more information as it becomes available. Check the Facebook page for information. There will not be an issue over the summer.

Things are winding down for the year, however the city will be having a new program running out of our hall. It is the Lead Program for youth ages 12 – 17. It will run from July 3 to 27 on Mondays and Thursdays, from 1 – 4. There will be Park and Play. Please consult the Calgary Neighborhood’s Summer schedule at: calgary.ca/communitysummerprograms for more information

We are continuing to work with the City of Calgary on the Rundle Station Master Plan, however, during the Election season, we will not hear from them.

The Summit Pub has a new menu, let us know what you think of it, we will continue to have Karaoke every second Friday; Mixed Media and Art Journaling, as well as Live Music. If there is anything you would like to see in the Pub, please let us know.

Don’t forget about the Community Cleanup on Saturday June 17th from 9 am Sharp until 2 pm. There will be 2 garbage trucks for household trash, an E-Cycle bin, an Organics truck, and Cerebral Palsy will be on site to collect other unwanted items. Please consider donating a non-perishable item for the Food Bank.

I would like to thank all the hard-working volunteers who came out to help at the Carnival. The Broncos, the Scouts, the Girl Guides, the Board and many more... thank you!

By the time you receive this issue, the AGM will be over. I am stepping down as President. I wanted to express my gratitude to all the people who supported me over the past year. Thank you!

Respectfully submitted,
Sue Holt
President

YOUR CITY OF CALGARY
Register the kids for a summer nature adventure

Looking for activities to keep the kids entertained this summer? Send them on a nature adventure!

The City of Calgary’s nature day camps will keep your little critters busy as bees exploring bugs, birds, buds and beyond. These week-long, action-packed adventures provide a perfect blend of fresh air and fun where campers will learn about the natural world and its many wonders.

Nature day camps are offered July through August at the Inglewood Bird Sanctuary and Ralph Klein Park. Half-day camps are available for children four and five years old. These bite-sized adventures include daily nature walks, games and crafts. Full-day camps, designed for children six to 12, include in-depth investigations and outdoor explorations focused on specific themes, including wetlands, raptors and winged wonders.

Visit calgary.ca/parksguide or call 403-268-3800 to register.

Councillor Ray Jones' 7th Annual
Community Cleanup Day

“
Let’s reveal our community pride and work together to build and maintain healthy, safe and vibrant communities!
– Councillor Ray Jones
”

Residents in Calgary’s Ward 5 communities are invited to join Councillor Ray Jones on this seventh annual Community Cleanup Day. Friends, families and neighbours can spend a few hours cleaning up an important area in Ward 5 – a yard, local park, street or alley, or other local area in need of improvement.

The City of Calgary Waste & Recycling Services and other recycling companies will be on site to collect residential & yard waste, electronics, tires (one location only), metal (limited locations) and paper shredding (one location only) at no charge. Small appliances and household items in good condition can be donated to Cerebral Palsy who will be on site at three locations. **1, 2, 3**

EDITOR'S MESSAGE

Well, Rundle residents...this is our last newsletter that is being published for us by Great-News. We are still brainstorming and pondering where we will go from here as to how to inform our wonderful neighbors of issues and events that are happening within our Community. Have you given us YOUR feedback? Are you okay with just looking at it online? Do you know where to look for it online? Do you prefer to have it delivered to your door? Do you keep it around you handy for reference of upcoming information? We would still appreciate any input you have in how you perceive and would receive our newsletter. Send your thoughts to rumbles@shaw.ca or write us a letter and drop it off at the Community Centre mailbox or actually drop it in the mail. We look forward to your responses.

June is a busy month in RUNDLE... don't forget to bring your family to the Free Pancake Breakfast and Carnival, being held on June 3 at the Community Centre (2409 – 50 ST. NE).

There will be music, games, food, entertainment, all for FREE. Pancakes between 8-10 and the carnival is between 10-2. Did I mention its FREE?? Hope to see you there.

I've been busy de-cluttering in anticipation of the Community Cleanup on June 17 - out with the old!

Have a great summer by the way.

Kathy Collinson

Park & Play/Stay & Play Summer Program:

Rundle has been chosen as one of 56 locations for Park & Play/Stay & Play throughout the City. The City is proposing to bring a Park'n Play/Stay'n Play program to the CA from July 24 – 28, 2017. This is a one week free program for ages 3 through 12. Great news for your community! Is this a program you'd be interested in partnering with? Is there any space in the building that could accommodate the program in case of inclement weather?

Lifecycle Assessment Schedule

Lifecycle Assessments are completed every 5 years. The Rundle Community Association is one of 32 assessments scheduled for 2017. They are scheduling between April and October. I will let you know as soon as I hear when yours is projected. Is Larry going to oversee this and are there any holidays planned that I should try to watch for or an alternate contact for the walk through?

Alberta Canada 150 Grant

The Community Initiatives Program's (CIP) Alberta Canada 150 stream will provide \$2 million to support projects that align with the four themes of the Federal Canada 150 approach which include:

- Diversity, inclusion and the building of common interests and relationships.
- Supporting efforts towards reconciliation of indigenous and non-indigenous Canadians.
- Engaging and inspiring youth to carry forward the legacy of Canada 150.
- Connecting Canadians with nature and raising environmental stewardship to the level of national consciousness.

Alberta Canada 150 outcomes:

- Support Albertans to join all Canadians to recognize Canada's 150th anniversary of Confederation.
- Supports projects that align with the four themes of the Federal Canada 150.
- Provide funding to small and medium size organizations that have previously not applied or received funding and whose mandate supports one of the four themes.

For more information <http://www.culture.alberta.ca/community/community-grants/community-initiatives-program/alberta-canada-150/>

Deadlines are the 15th of each month. Continual intake until October.

The Calgary Joint Graffiti Investigative Team (JGIT) presentation

The Calgary Joint Graffiti Investigative Team (JGIT) has created a presentation pertaining to graffiti awareness and abatement. The team can attend community associations to conduct this FREE and informative presentation for members of the community, which incorporates power point slides, encourages group interaction, and an opportunity to ask questions. To book a graffiti presentation please contact: CPSgraffiti@calgarypolice.ca

Alley Speeds

The speed limit in an alley is stated to be less than 15 km per hour. This is usually attained at idle speed.

Our alley is paved, and is a playground for kids, as well as a direct route from a number of schools to a nearby corner store. People have seen and stopped cars in the alley doing more than the speed limit on our streets. Sooner or later someone or a car backing out of a garage is going to be hurt or damaged.

This is the link to the City Bylaw that indicates the alley speed limit.

<https://www.calgary.ca/CA/city-clerks/Documents/Legislative-services/Bylaws/26m96-Traffic.pdf?noredirect=1>

REDUCED SPEED LIMIT 52. No person shall drive a vehicle in or along an alley in the City at a speed greater than 15 kilometers per hour.

As part of its neighbourhood program, any citizen can pick up alley speed limit signs and post them – at no cost.

SCHOOL SHOUT-OUTS

Cecil Swanson School

Cecil Swanson School is pleased to announce that we will be offering Full Day Kindergarten to all Rundle residents for the 2017-2018 school year. This program provides our youngest learners with an excellent foundation for their entire educational career. In order to register for this program, please come into our school with your child's birth certificate or passport and proof of address.

Here at Cecil Swanson School, we have been keeping our student engaged not only in the academic rigour but also some fantastic extracurricular activities such as Choir, Morning Exercise Club, Science Fair, Dance club and Cecil Seahawk Soccer Teams. We recently had four of our students attend the City-Wide Science Fair. We are very proud of their work as they were great representatives of the Rundle community.

As the weather starts to warm up and the days are getting longer, we are encouraging our younger learners to be more active outside. Please slow down as you drive through the community streets especially during school hours.

Thank you and have wonder Spring.

UPDATE FROM THE ACCC COMMITTEE

The meeting was quite short—45 minutes. A few new staff were introduced and were not up to speed yet. The big announcement for the near future is that the new runway will be used a lot more this summer. This is because they need to do some rather large repairs to the old north-south runway and adjacent aprons. It will be noisier over our community for a few months.

I asked about where we are at in getting required navigational procedures for takeoffs (RNP's). This procedure, when implemented, is meant to reduce noise and keep planes flying over commercial properties for as long as possible. The bottom line is don't hold your breath because Transport Canada will be rolling out RNP's for landing aircraft for the rest of Canada for quite some time. Once that is done they will start to look at takeoff aircraft.

I suspect it will take 7-15 years to see any real change on the RNP takeoffs. The best hope we have is for the air

carriers to buy new planes which are significantly quieter, which will mean quieter skies...eventually.

Next meeting won't be for three months.

That's all to report for now.

Bruce Hardardt.

myYYC Plane Spotting

There is an avid community of plane spotters at YYC made up of aviation enthusiasts that observe, photograph and log registration numbers of aircraft. Plane spotters look for key characteristics to differentiate aircraft such as: number of engines, shape of the wings, length of hull and type of landing gear. Below are three of the most common aircraft at YYC and how to spot them:

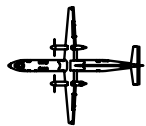

Boeing 737

- Two engines located under the wings
- Wings fixed under the fuselage
- Pointy nose

Beechcraft 1900

- Two propeller engines
- Multiple fins on the wings and tails
- Square fuselage

Bombardier Q400

- Two propeller engines
- Wings fixed above the fuselage
- T-shaped tail

SAFE & SOUND

EMS: Window and Balcony Safety

With the return of warmer weather, Emergency Medical Services (EMS) would like to remind parents and caregivers of an often-overlooked hazard in the home – access to open windows. Every year, paramedics respond to emergencies where a child has fallen from an open window, often from the second floor. These can be avoided by following simple safety measures. Take the time to assess potential hazards in your home before a preventable fall occurs.

Windows and screens

- Prevent access to windows by moving furniture such as cribs, beds, stools, and change tables out from under them;
- Keep drapery cords out of childrens' reach. Wrap excess cord around cleats, or tie-downs to avoid a choking hazard;
- Remember: screens are not safety devices. They are designed to keep bugs out, not to keep children in.

Balconies

- Do not underestimate a child's ability to climb. Furniture and other items stored on balconies and decks can be used to climb resulting in falls over the railing;
- Ensure that your balcony railings are not more than 10 cm (4 inch) apart. This will eliminate access between the vertical bars of a balcony, or deck.

Further prevention tips

- Toddlers & preschoolers are at highest risk of falling from a window or balcony, but it may happen at any age;
- Direct supervision of children is the single most effective way to prevent falls from windows and balconies;
- Install safety devices which limit the distance in which a window can be open to a maximum of 10cm (4 inches);
- Ensure the safety device can be released quickly so the window can be used for escape in case of emergency.

EMS is proud to be a member of the **Partners Promoting Window and Balcony Safety**. Take time to assess your home for window and balcony hazards and eliminate the risks before a preventable fall occurs. www.windowssafety.ca.
