## Hall Rentals

We offer a bright and clean facility, whether it's for a wedding, anniversary, reception or meeting. Let us help you plan your event. The hall's capacity is 225 persons, but can accommodate any size of gathering. Please call us (403-280-4752) or message us on Facebook for further information.

## President's Message

Hope everyone had a great summer.

We had our AGM in May. There have been a number of changes to the Board. I would like to thank everyone that worked so hard during the last term to keep this Community Association as one of the most vibrant in the NE.

One of our pressing challenges has been the publication of the Rumbles. Our previous printer had decided that they could no longer support the production of our newsletter. As a result, we are taking on the production within the Board. Thanks to Lacy, who joined our Board and has a great working knowledge of publications and web design.

I would also like to thank Sue for taking on the role of president last year. Great job. This year brings on its own set of challenges. We are looking to upgrade the florescent lights upstairs from T8 to LED. The Community Hall is also set to get its mandatory 5 year life cycle review. The City will pick up the tab for this, but we need to have the update in order to have certain projects qualify for grant help.

Sue is continuing to participate in the Rundle master plan which is along 36 ST. The City held a Lead program in July as well as a Park and Play. The weather was great for the program. September will see the start-up of the new year for Guides and Scouting. September will also see the resumption of Cribbage on Tuesdays and Texas Holdem on Saturdays when the hall is available.

We are still having issues with the airport. Many of the planes taking off in the south direction are more than 10 degrees. It's likely to get worse as more planes are routing through Calgary. The Community has also been experiencing a skunk problem. I had a concerned resident contact us to see what can be done. They had called 911, but were told that this is a local issue. Technically it is a provincial issue, (I'm sure Ricardo would love to hear from you). If not, you will need to call an exterminator company to trap and remove the skunks. They will charge for this service.

Rundle and the Properties is again experiencing an increase in car prowling's and garage and home thefts. Please protect your belongings and report any suspicious activity to the police. I have also noticed an increase in the number of cars that have been altered and the noise factor increased to an annoying level as well as illegal racing through and around Rundle.

Just a reminder that the City Councillor elections are on October 16. Note that our ward has changed from Ward 5 to Ward 10 with some new boundaries.

Join us at the Rundle Summit Pub. We have revised the format of the menu, but it contains all of the same favorites. We have also upgraded the WIFI to Shaw 150. You will need a new password which you can get from the staff. The WIFI will be 10 times faster than in the past.

**Back to  
school safety**

Alberta Health Services EMS would like to remind parents and students about some road safety tips, as streets become more congested, with the return of the school year. Pedestrians and motorists both have an important role to play – road safety is a shared responsibility.

**Motorists**

- Avoid talking on cell phones, texting, or any other behavior that diverts your attention away from driving;
- Give right-of-way to pedestrians who have activated overhead crossing lights, or who are waiting to cross from a street corner;
- Remember, it is illegal to pass vehicles - other than those that are parked - in school zones or playground zones, during posted hours.

**Around school buses**

- Flashing amber lights mean a bus is slowing down to stop – motorists should do likewise;
- No matter which direction you are coming from, STOP, when approaching a school bus with activated flashing red lights – unless the bus is on the opposite side of a divided highway from you;
- Driver courtesy goes a long way. By simply being alert and cautious when approaching a school bus, you are contributing to school bus safety.

**Pedestrians**

- Cross only at marked crosswalks, or street corners that have clear visibility from all directions;
- Make eye contact with all drivers before crossing the street, and keep distractions to a minimum;
- When activating overhead crossing lights, pause before stepping off the curb to ensure motorists in both directions have come to a complete stop;
- Stay within the crosswalk lines until fully clear of the roadway;
- Obey pedestrian lights at intersections. Cross the street only when you see the 'walk' sign and only when all cars have come to a complete stop;
- If you are with young children or pets, hold your child's hand firmly and keep a solid grip on leashes when crossing;
- Remember: children learn by observing. By demonstrating safe crossing habits, you can reduce the chances of your child being involved in a preventable auto/pedestrian collision.

## Youth Employment Centre

Do you know someone aged 15-24 who is looking for work? The City of Calgary's Youth Employment Centre (YEC) offers year-round services and resources to help youth, secure employment and take the first step in their career.

YEC offers a variety of services FREE of charge, including employment counseling, career planning, networking assistance, résumé assistance, industry training and mentorship opportunities.

Youth who need support with their job search or career development are encouraged to drop by the office at 315 - 10 Avenue S.E. or visit [youthemploymentcentre.ca](http://youthemploymentcentre.ca).

## 2017 Municipal Election: Vote for your Mayor, Councillor, and School Board Trustee

This Fall Calgarians will vote for their Mayor, Councillors, and School Board Trustees in the 2017 Municipal Election. Voters can choose to cast their ballot during the Advance Vote from October 4 - 11, excluding October 9 (Thanksgiving) or on Election Day, October 16. There are many ways to vote, so be sure to check the website [electionscalgary.ca](http://electionscalgary.ca) for a complete list of voting options. Voting station locations will be available online after September 19, 2017, or you can watch the mail for your official Election Guide.

## New to Canada?

Arriving in a new city can be overwhelming. In Calgary, there are many resources and services to assist newcomers, community organizations to help you get settled, and immigrant serving agencies who can help if you're new to Canada.

The Newcomers Guide to Calgary (available in English and Arabic) provides important information for new residents in an easy to download and print format. For more information, visit [calgary.ca/newcomers](http://calgary.ca/newcomers).

## Editor's Message

I am pleased and honoured to introduce myself as the new editor for the Rundle Rumbles.

Thank you to everyone who nominated and elected me to take over where Kathy left off. I have some big shoes to fill after all of the hard work Kathy has done for the association over the years. Don't worry, Kathy isn't gone yet! She has decided to continue helping me with the advertising for the Rumbles.

As many of you know now the Rumbles has been dropped by our previous publisher. In order to continue delivering the Rumbles within our budget I have volunteered to design and maintain the layout. The board has also decided to release bi-monthly issues versus monthly. Our new schedule is: Jan/Feb, Mar/Apr, May/June, Sept/Oct, and Nov/Dec. Kathy and I will also be taking over advertising opportunities for the Rumbles. Don't hesitate to send us an email with any inquiries you have. You can continue submitting content at [rumbles@shaw.ca](mailto:rumbles@shaw.ca).

I hope you enjoy the future issues of the **Rundle Rumbles**.

## Girl Guides

### Girls – looking for a fun and exciting after school activity?

Why not join Girl Guides! Sparks is for girls in Kindergarten and Grade 1, Brownies is for girls in Grades 2 and 3, Guides is for girls in grades 4-6, Pathfinders is for Junior High aged girls in grades 7-9, and Rangers for High School aged girls in grades 10-12. They are all part of the larger organization Girl Guides of Canada.

Sparks, Brownies, Guides and Pathfinders meet on Wednesday evenings starting at 6:30 pm in the upper hall at the Rundle Community Centre – 2409 50 Street NE. and Rangers meet twice monthly on Monday evenings starting at 7:00 p.m. Meetings run September through to June.

Registration is ongoing.

The hands-on program is all about encouraging girls to develop their own identity and positive relationships with others. Girls gain confidence by learning skills they can use in their daily lives and develop a commitment to their communities through service projects and special events. Programming covers safety and healthy choices, science and technology, the arts and eco-awareness, and camping. Girls can earn a variety of badges and will enjoy such activities as crafts, singing, games, camping or overnight adventures, life skills, leadership and planning opportunities.

## **Halloween Safety**

The members of Calgary's *Partners for Safety*: Calgary's Child Magazine, AHS EMS, Calgary Police, Fire, 9-1-1, Bylaw, and Transit would like to remind parents and trick-or-treaters of some Halloween safety tips as October 31<sup>st</sup> approaches. *Partners for Safety* vehicles will be out patrolling communities on Halloween night to provide a visible safety resource for parents and trick-or-treaters.

### **Trick-or-Treaters**

- Remember: all regular pedestrian rules still apply. Be sure to cross the road at marked crosswalks, or well-lit corners only. It is safest to work your way up one side of the street, and then cross once to the other side.
- Stay away from houses that are not well lit. Do not accept rides from strangers, or enter any home you feel is unsafe.
- Let your parents know where you are going to be at all times (route) and advise them if you will be late returning.

### **Parents**

- Be certain that young trick-or-treaters are accompanied by an adult. Older children should stay in groups.
- Pre-determine boundaries to trick-or-treat within and establish a firm time to return home.
- Advise children not to eat anything until they return home. Dispose of any items that appear to have been tampered with, or that are not properly wrapped.

### **Costumes**

- Choose bright colored costumes that are highly visible. Adding reflective tape to costumes further increases visibility.
- Consider sending your children with a flashlight for additional safety and increased visibility.
- When purchasing, or making costumes, look for materials and accessories that are labeled flame-resistant.
- All costume accessories, such as sticks, rods, or wands, should be soft and flexible, with no sharp edges.
- Consider using hypoallergenic make-up kits instead of masks that may impair breathing, or vision.
- Be sure costumes are loose enough to be worn over warm clothing, but not so long that they become a tripping hazard. Costumes should not be longer than your child's ankles.
- Ensure your child is wearing adequate foot wear that takes into consideration weather conditions and walking.

## Fish Compensation Project in Bowmont Park

Following the 2013 flood The City undertook a number of projects to repair and reinforce riverbanks along the Bow River. These projects helped protect critical City infrastructure but in some cases had compounding impacts on sensitive fish habitat along the river. In order to appropriately compensate for the loss of habitat The City identified a number of sites that could supplement lost habitat at other locations. A project in Bowmont Park was one of the sites chosen.

The project is located adjacent to and partly within Bowmont Natural Area Park (Bowmont Park) on the north bank of the Bow River. Work will entail:

- Reopening historic side channels
- Re-establishing flow to the side channels, through excavation and re-contouring, to provide year-round connectivity from and to the main channel of the Bow River
- Constructing additional fish habitat structures using large trees and boulders

- Re-planting of all areas disturbed and the new channel banks with native plants and grasses;
- Providing additional bank and channel enhancement and protection to promote natural channel function while protecting infrastructure and the environment.

The City will also replace the existing (North) pedestrian bridge with a longer single span bridge. When the existing pedestrian bridge was constructed in the early 1990's, the channel width was reduced from 35 m to 15 m, which has severely limited flood water flow under the bridge. This has likely contributed to the significant amount of gravel and river cobble that has accumulated upstream of the pedestrian bridge. Widening the channel at this location will help achieve our goal of creating healthy fish habitat.

Work on this project will begin this fall and continue through the winter. For more information on this project and The City's fish compensation program, visit: [Calgary.ca/fishcompensation](http://Calgary.ca/fishcompensation).
